• Click Install to install the eduroam profile

• Click Install Now to install the PfenceHA CA root certificate. This helps to secure the eduroam network

• When prompted enter your student or staff ID in the username box **followed by @cardiffmet.ac.uk** (e.g. st12345678@cardiffmet.ac.uk or sm12345@cardiffmet.ac.uk). Enter your network password in the password box and click next

• Once you see the Profile Installed window you are successfully connected to the eduroam network. Click Done

• You should now check to make sure that your device has forgotten the eduroam_setup network as you no longer need it.

If you have any difficulty then please contact the IT Helpdesk on extension 7000, or by emailing <u>ithelpdesk@cardiffmet.ac.uk</u>. IT advisors are also available at the Learning Centres to help you with any difficulties.
